Would Stardom Or Starvation Be Her Lot?

Linda left her home town because she didn't love a man. Better an empty purse than an empty heart.

ESCAPE To HOLLYWOOD

A sparkling new serial by Kathryn Culver

It was just a little too much for Centerville that Linda was not only the prettiest girl in town but also the richest. So some wholesale gloating was in order when she lost her money. And Linda couldn't stand that. Or stand the thought of being married to Fred. She wanted money again—and romance for the first time. Hollywood seemed the best place to find them. At least it did until she got there. . . . Begin the story
