Tis Said. History Is Made At Night

So why don't YOU make YOURSELF some history is just a happening that's worth remembering So, right after dinner, tonight, go into the living room, choose into the remembering of the Sun to the CLASS-IFIED SECTION.

Start reading right at the top of the first column, through real estate, automobiles, apartments, right on through the miscellaneous, etc. See how many things you'd like to have among those items.

-And, rest assured that the purchase will be a val-ue that you'll remember. MAKE HISTORY EVERY DAY . . . WITH SUN-Ads. READ THEM — HEED THEM — BUY THEM.
