## No replacements for friendliness

There are bound to be shortages in im portant materials necessary to the tele

But in the face of shortages—in the face of new problems that must be met, we'll do our best to take care of telephone service.

No matter how busy the day, or how hard the job, telephone people are resolved to maintain that same friendliness and consideration they have always sought to make a part of every contact—and there will always be time for courtesy.

"The Telephone How" is brandesse every Monday evening at Q s circle over the NBC Red Network.
