Registration of hotel and rooming houses in Seattle, Tacoma and Bremerton and the entire Puget Sound defense rental area began today. Rent Director Alfred Harach said the registration must be completed by Sept. 21.

Between 30,000 and 100,000 rooms will be included in the registration, said Harach. In addition to hotel and rooming house rooms, it will include accommodations in rooming and boarding houses, residence clubs, auto and trailer camps, tourist homes and cabins and all establishments of a similar nature.

Harach announced forms can be obtained at Bremerton at the basement of the public library, 5th st. Harach said that all completed forms must be sent to the office at the area rental office, 1160 Stuart building, Seattle. This is the second big registration and includes all rental units not previously registered. Registration of houses, flats and apartments was completed July 21.
