DAILY EVENING - 8 PAGES

The board adjourned at 2:49 p.m. after a session which lasted until 11:30 p.m. on March 21 with Dr. Cloyd Hook Marvin, member of the advisory committee of the foundation.

The committee of the foundation has been working for a year on the problems of the institution, determining how to keep its scholastic standards high and at the same time meet a drastic cut in revenue and appropriations.

CHICAGO, March 24 - (AP) - The board of trustees of the University of Washington today selected the University here to administer the nation's railroad carriers.

WASHINGTON, March 24 - (AP) - The newly formed executive steering committee in its first meeting today decided against putting any more bills up to the house without committee consideration.

WASHINGTON, March 24 - (AP) - The senate drive for drastic revision of the administration farm bill was held up today by the passage of the senate agricultural committee report on the bill.
